We help wellness and spiritual educators turn their gifts into a sustainable, scalable business. Thirty Three & Co. identifies the gaps between where you are today and where you want to go, then strengthens your systems, technology, offers and growth strategy to help you reach more people and create lasting impact.

STRATEGY

Clarify your offerings, audience and long-term vision.

SYSTEMS

Create smoother content, membership and client workflows.

GROWTH

Expand your reach while protecting the quality of your work.

THE REAL CHALLENGE

A BIGGER IMPACT SHOULDN'T MEAN MORE OVERWHELM.

You have the knowledge, the calling and the desire to help more people. But inconsistent offers, limited audience reach, too much manual work and technology overwhelm can keep you from the impact you know is possible. You're doing more, with less support, and the business side can feel distracting from your purpose.

OFFERS

Inconsistent content and offers make it hard to attract and convert the right people.

AUDIENCE

Growing and retaining your audience can feel unpredictable and overwhelming.

TIME

You're creating, teaching and supporting others, but there's never enough time and it's easy to burn out.

GROWTH

Turning your impact into sustainable revenue is challenging without a clear strategy and systems.

OUR APPROACH

We take a practical, personalized approach to help you build a more organized, efficient and scalable wellness business.
